### Set up wash account as:

- Wash weekly \_\_\_\_\_
  - (If wash weekly *only*, please provide make/model and license or vehicle number for tracking weekly washes). Choosing this option limits you to only one wash per week and no more than 4 washes per vehicle for the month.
  
- Wash often as needed \_\_\_\_\_
  - (If wash often as needed, no vehicle information is needed as driver signature, license number and date will be collected for each wash). Choosing this option allows you and your employees the flexibility to wash whenever necessary.
